

Are you ready to be heard?

Take the Unmute Pro Level Check and discover where you stand today.

- Understand your communication strengths
- Find the gaps affecting interviews and presentations
- Get a simple readiness level and practice direction
- Compare your improvement after training

THE FIRST STEP

Speak honestly. There is no pass or fail.

Your confidence can grow with practice.

Unmute Pro helps students move from knowing the answer to expressing it clearly.

- Practical speaking
- Interview answers
- Presentations and group discussions
- Professional and workplace communication

Know your level. Build your confidence.

FOR COLLEGE STUDENTS

Know your level. Find your voice. Get career-ready.

UNMUTE PRO LEVEL CHECK

A clear starting point - not an English exam.

You may know it. Can you communicate it?

College and career situations ask you to explain ideas, answer confidently and connect with people - often under pressure.

This is not only about grammar.

- Can you introduce yourself clearly?
- Can you complete an answer without losing confidence?
- Can you present an idea or recommendation?
- Can you respond professionally in an interview or team?

What happens in the Level Check?

01

Language and understanding

Clear, professional use of English.

02

Speaking tasks

Introduction, explanation and real situations.

03

Career scenarios

B.Tech or MBA situations relevant to you.

04

Confidence observation

Initiation, voice, completion and recovery.

YOUR RESULT

Communication Readiness Score + Confidence Index + UP1-UP5 developmental level

Built for your course and career.

B.TECH

Explain projects, give updates, clarify requirements, discuss defects and communicate technical trade-offs.

MBA

Present recommendations, handle objections, influence stakeholders, negotiate and deliver executive updates.

What you receive

- Your strengths
- Your priority improvement areas
- A practical practice plan
- A pre/post progress comparison

Know your level. Build your confidence.
